# A-Tisket, A-Tasket

A-tisket, a-tasket

A green and yellow basket

I wrote a letter to my love

On the way I lost it

I lost it, I lost it

On the way I lost it

A little girl picked it up

And put it in her pocket

A-tisket, a-tasket

A green and yellow basket

I wrote a letter to my love

On the way I dropped it

I dropped it, I dropped it

On the way I dropped it

A little boy picked it up

And put it in his pocket

*repeat 2x*

# A Sailor Went to Sea

A sailor went to sea, sea, sea  
To see what he could see, see, see  
But all that he could see, see, see  
Was the bottom of the deep blue sea, sea, sea

Oh, Helen had a steamboat  
The steamboat had a bell  
When Helen went to heaven  
The steamboat went to hell

Ask me for a muffin  
I'll give you some old bread  
And if you od not like it  
Just go and soak your head

A sailor went to sea, sea, sea  
To see what he could see, see, see  
But all that he could see, see, see  
Was the bottom of the deep blue sea, sea, sea!

Was the bottom of the deep blue sea, sea, sea!

# Baa, Baa, Black Sheep

Baa, baa, black sheep,

Have you any wool?

Yes, sir, yes, sir,

Three bags full.

One for the master,

And one for the dame,

One for the little boy

Who lives down the lane.

Baa, baa, black sheep,

Have you any wool?

Yes, sir, yes, sir,

Three bags full.

*repeat 2x*

- Oh where have you been,  
Billy Boy, Billy Boy?  
Oh where have you been,

She's the joy of my life,  
She's a young thing  
And cannot leave her mother.
- Did she ask you to come in,  
Billy Boy, Billy Boy?  
Did she ask you to come in,  
Charming Billy?
- Yes, she asked me to come in,  
There's a dimple in her chin.  
She's a young thing  
And cannot leave her mother.
- Can she make a cherry pie,  
Billy Boy, Billy Boy?  
Can she make a cherry pie,  
Charming Billy?
- She can make a cherry pie,  
Quick as a cat can wink an eye.

And cannot leave her mother.

Billy Boy, Billy Boy?  
How old is she,  
Charming Billy?

And she's so sweet the honey bees  
Just swarm around her mouth

Get along home, Cindy, Cindy  
I'll marry you some day

Get along home, Cindy, Cindy  
Get along home, Cindy, Cindy

She'd take a bite of me

Oh have you seen my Cindy  
She comes from way down south  
And she's so sweet the honey bees  
Just swarm around her mouth

# Clementine

In a cavern, in a canyon  
Excavating for a mine  
Dwelt a miner, forty-niner  
And his daughter Clementine

Light she was, and like a fairy  
And her shoes were number nine  
Herring boxes without topses  
Sandals were for Clementine

Oh my darling, oh my darling  
Oh my darling Clementine  
You are lost and gone forever  
I'm so sorry, Clementine

Walking lightly as a fairy  
Though her shoes were number nine  
Sometimes tripping, lightly skipping  
Lovely girl, my Clementine

Drove the ducklings to the water  
Every morning just at nine  
Hit her foot against a splinter  
Fell into the foaming brine

Oh my darling, oh my darling  
Oh my darling Clementine  
You are lost and gone forever  
I'm so sorry, Clementine

Then the miner, forty-niner  
Soon began to fret and pine  
Thought he oughter join his daughter  
So he's now with Clementine

I'm so lonely, lost without her  
Wish I'd had a fishing line  
Which I might have cast about her  
Might have saved my Clementine

Oh my darling, oh my darling  
Oh my darling Clementine  
You are lost and gone forever  
Dreadful sorry, Clementine

Listen fellers, heed the warning  
Of this tragic tale of mine  
Artificial respiration  
Could have saved my Clementine

How I missed her, how I missed her  
How I missed my Clementine  
'Til I kissed her little sister  
And forgot my Clementine

# Crawdad Song

You get a line and I'll get a pole, Honey,  
You get a line and I'll get a pole, Babe,  
You get a line and I'll get a pole,  
We'll go fishin' in the crawdad hole,  
Honey, Baby mine.

Sittin' on the bank til' my feet get cold, Honey,  
Sittin' on the bank til' my feet get cold, Babe,  
Sittin' on the bank til' my feet get cold,  
Lookin' down that crawdad hole,  
Honey, Baby mine.

Younder comes a man with a sack on his back, Honey,  
Younder comes a man with a sack on his back, Babe,  
Younder comes a man with a sack on his back,  
Packin' all the crawdads he can pack,  
Honey, Baby mine.

The man fell down and he broke that sack, Honey,  
The man fell down and he broke that sack, Babe,  
The man fell down and he broke that sack,  
See those crawdads backing back,  
Honey, Baby mine.

I heard the duck say to the drake, Honey,  
I heard the duck say to the drake, Babe,  
I heard the duck say to the drake,  
There ain't no crawdads in this lake,  
Honey, Baby mine.

# Dance to Your Daddy

Dance to your daddy, my bonnie laddy,  
Dance to your daddy, my bonnie lamb.

Dance to your daddy, my bonnie lamb.

# Do Your Ears Hang Low?

Do your ears hang low?  
Do they wobble to and fro?  
Can you tie them in a knot?  
Can you tie them in a bow?  
Can you throw them over your shoulder  
Like a Continental Soldier?  
Do your ears hang low?

Do your ears hang high?  
Do they reach up to the sky?  
Do they wrinkle when they're wet  
Do they straighten when they're dry?  
Can you wave them at your neighbour  
With an element of flavor?  
Do your ears hang high?

Do your ears hang wide?  
Do they flap from side to side?  
Do they wave in the breeze  
From the slightest little sneeze?  
Can you soar above the nation  
With a feeling of elevation  
Do your ears hang wide?

Do your ears fall off  
When you give a great big cough?  
Do they lie on the ground  
Or bounce up at every sound?  
Can you stick them in your pocket  
Just like Davy Crockett?  
Do your ears fall off?

Do your ears hang low?  
Do they wobble to and fro?  
Can you tie them in a knot?  
Can you tie them in a bow?  
Can you throw them over your shoulder  
Like a Continental Soldier?  
Do your ears hang low?

# Doodle Dee Doo

What are you after? What are you after?

Doodle-dee-doo, doodle-dee-doo.

What are you after? What are you after?

Doodle-dee-doo, doodle-dee-doo.

Simplest thing, there isn't much to it,

All you've got to do is doodle-dee-doo.

I like the rest of it, but what I like best

Is doodle-dee-doo, do-dee-do!

*repeat 4x*

# Down by the Bay

Down by the bay  
Where the watermelons grow  
Back to my home  
I dare not go  
For if I do,  
My mother will say  
"Did you ever see a bear combing his hair  
Down by the bay?"

Down by the bay  
Where the watermelons grow  
Back to my home  
I dare not go  
For if I do  
My mother will say  
"Did you ever see a bee with a sunburned knee  
Down by the bay?"

Down by the bay  
Where the watermelons grow  
Back to my home  
I dare not go  
For if I do  
My mother will say  
"Did you ever see a moose kissing a goose  
Down by the bay?"

Down by the bay  
Where the watermelons grow  
Back to my home  
I dare not go  
For if I do  
My mother will say  
"Did you ever see a whale with a polka dot tail  
Down by the bay?"

Gonna study war no more

Down by the riverside  
Down by the riverside  
I'm gonna lay down my travelin' shoes  
Down by the riverside  
Gonna study war no more

Down by the riverside...

# Father Grumble

There was an old woman, there was an old man  
Who never could agree  
He said he could do more work in a day  
Than she could do in three.

Now said the old woman unto the old man  
If this you will allow,  
Why, you shall stay at home today  
An' I'll go follow the plow.

So why don't you milk the teeny cow  
For fear she will go dry,  
And you must feed the little pigs  
That lay within the sty.

An' you must watch the speckled hen  
For fear she'll go astray,  
An' you must wind the bobbin of yarn  
That I spun yesterday.

The old woman went, she picked up the shares  
To go an' follow the plow,  
The old man he picked up the pail  
To milk the teeny cow.

And he went to feed the little pigs  
That lay within the sty,  
The old sow run up against his legs  
An' knocked him ten foot high.

When he went to watch the speckled hen  
For fear she'd go astray,  
He forgot to wind the bobbin of yarn  
That his wife spun yesterday.

He swore by the sun, he swore by the stars  
An' the green leaves on the tree,  
That his wife could do more work in a day  
Than he could do in three!

Chickadee, chickadee, happy today,  
Chickadee, chickadee, fly away

Four little chickadees  
Sitting on a tree,  
One flew away  
And then there were three.

## Chorus

Three little chickadees,  
Looking down at you,  
One flew away  
And then there were two.

## Chorus

Two little chickadees  
Nodding in the sun,  
One flew away  
And then there was one.

Sitting all alone,  
It flew away  
And then there were none.

# God Rest You Merry, Gentlemen

God rest you merry, gentlemen,  
Let nothing you dismay,  
For Jesus Christ our Saviour  
Was born on Christmas day,  
To save us all from Satan's power.  
When we were gone astray.  
O tidings of comfort and joy, comfort and joy,  
O tidings of comfort and joy.

In Bethlehem, in July,  
This blessed Babe was born,  
And laid within a manger,  
Upon this blessed morn,  
The which his mother Mary did  
Nothing take in scorn.  
O tidings of comfort and joy, comfort and joy,  
O tidings of comfort and joy.

From God our heavenly Father  
A blessed angel came,  
And unto certain shepherds  
Brought tidings of the same.  
How that in Bethlehem was born  
The Son of God by name.  
O tidings of comfort and joy, comfort and joy,  
O tidings of comfort and joy.

Fear not, then said the Angel,  
Let nothing you affright,  
This day is born a Saviour  
Of virtue, power, and might,  
So frequently to vanquish all  
The friends of Satan quite.  
O tidings of comfort and joy, comfort and joy,  
O tidings of comfort and joy.

The shepherds of those tidings  
Rejoiced much in mind,  
And left their flocks a feeding,  
In tempest, storm, and wind,  
And went to Bethlehem straightway  
This blessed Babe to find.  
O tidings of comfort and joy, comfort and joy,  
O tidings of comfort and joy.

Now to the Lord sing praises,  
All you within this place,  
And with true love and brotherhood  
Each other now embrace,  
This holy tide of Christmas,  
Doth bring redeeming grace.  
O tidings of comfort and joy, comfort and joy,  
O tidings of comfort and joy.

# Grandpa's Whiskers

I have a dear old Grandpa  
For whom I nightly pray  
He has a set of whiskers  
They're always in the way

## Chorus:

Oh, they're always in the way  
The cows eat them for hay  
They hide the dirt on Grandpa's shirt  
They're always in the way

My Grandpa was a soldier  
He fooled the enemy  
He wrapped his whiskers 'round him  
They thought he was a tree

## Chorus

My Grandpa was a swimmer  
No bathing suit for him  
He tied his whiskers 'round his waist  
And then he dove right in

## Chorus

My Grandpa had a strong back  
Now it's all caved in  
He stepped upon his whiskers  
And walked up to his chin

### Chorus

I have a dear old Grandma  
She likes his whiskers too  
She uses them for dusting  
And cleaning out the flue

### Chorus

His beard is getting longer  
And longer every day  
Grandma eats it in her sleep  
Sais, it tastes like shredded wheat

### Chorus

# In a Cabin in a Wood

In a cabin in the woods

Little old man by the window stood,

Saw a rabbit hopping by,

Frightened as can be.

"Help me! Help me!", the rabbit said,

"Or the hunter'll shoot me dead !"

"Come, little rabbit, come with me,

Safely we will be."

*repeat 2x*

# Jack and Jill

Jack and Jill went up the hill

To fetch a pail of water

Jack fell down and broke his crown

And Jill came tumbling after

Then up Jack got and home did trot

As fast as he could caper

They put him to bed

And plastered his head

With vinegar and brown paper

# Jack Frost

The door was shut, as doors should be  
Before you went to bed last night  
Yet Jack Frost has got in you see  
And left your window silver white

## Chorus:

He must have waited till you slept  
And not a single word he spoke  
But penciled o'er the panes and crept  
Away again before you woke

And now you cannot see the hills  
Nor fields that stretch beyond the lane  
But there are fairer things than these  
His fingers traced on every pane

## Chorus

The door was shut, as doors should be  
Before you went to bed last night  
Yet Jack Frost has got in you see  
And left your window silver white

# Jingle Bells

## Chorus:

Jingle bells, jingle bells, jingle all the way!  
O What fun it is to ride in a one-horse open sleigh,  
Jingle bells, jingle bells, jingle all the way!  
O What fun it is to ride in a one-horse open sleigh.

(1)

Dashing through the snow,  
on a one-horse open sleigh  
Over the fields we go,  
Laughing all the way.  
Bells on bobtail ring,  
Making spirits bright  
What fun it is to ride and sing  
A sleighing song tonight!

(2)

## Chorus

A day or two ago  
I thought I'd take a ride,  
And soon, Miss Fanny Bright  
Was seated by my side.  
The horse was lean and lank,  
Misfortune seemed his lot,  
He got into a drifted bank  
And then we got upsot.

### Chorus

A day or two ago,  
The story I must tell  
I went out on the snow,  
And on my back I fell.  
A gent was riding by  
In a one-horse open sleigh,  
He laughed as there I sprawling lie,  
But quickly drove away.

### Chorus

Now the ground is white,  
Go it while you're young;  
Take the girls tonight,  
And sing this sleighing song.  
Just get a bobtailed bay,  
Two-forty as his speed,  
Hitch him to an open sleigh  
And crack! you'll take the lead.

### Chorus

# Make New Friends

Make new friends, but keep the old.  
One is silver, and the other is gold.

A circle is round, it has no end.  
That's how long, then I will be your friend.

A fire burns bright, it warms the heart.  
We've been friends, from the very start.

You have one hand, I have the other.  
Put them together, we have each other.

Silver is precious, gold is too.  
I am precious, and so are you.

You help me, and I'll help you  
And together we will see it through.

The sky is blue, the Earth is green  
We can help to keep it clean

Across the land, across the sea  
Friends forever we will always be !

I come from Alabama  
With a banjo on my knee  
I'm going to Louisiana  
My true love for to see

It rained all night the day I left  
The weather it was bone dry  
The sun so hot I froze to death  
Susanna, don't you cry

## Chorus:

Cause I come from Alabama  
With a banjo on my knee

I had a dream the other night  
When everything was still

The buckwheat cake was in her mouth  
The tear was in her eye  
Said I, I'm coming down and from the south  
Susanna, don't you cry

And then I'll look all 'round

And when I'm dead and buried  
Susanna, don't you cry

# Simple Simon

Simple Simon met a pieman  
Going to the fair,  
Said Simple Simon to the pieman  
"Let me taste your ware."

Said the pieman unto Simon,  
"Show me first your penny."  
Said Simple Simon to the pieman,  
"Indeed I have not any."

Simple Simon went a-fishing  
For to catch a whale,  
But all the water he had got  
Was in his mother's pail.

Simple Simon went to look  
If plums grew on a thistle,  
He pricked his fingers very much  
Which made poor Simon whistle.

He went for water in a sieve  
But soon it all fell through,  
And now poor Simple Simon  
Bids you all adieu.

# Sing a Song of Sixpence

Sing a song of sixpence  
A pocket full of rye  
Four and twenty blackbirds  
Baked in a pie  
When the pie was opened  
They all began to sing  
Now, wasn't that a dainty dish  
To set before the king

The king was in his counting house  
Counting out his money  
The queen was in the parlor  
Eating bread and honey  
The maid was in the garden  
Hanging out the clothes  
Along there came a big blackbird  
And snipped off her nose!

*repeat 2x*

# Sipping Cider Through a Straw

The prettiest girl  
That ever I saw  
Was sipping cider  
Right through a straw.  
The prettiest girl that ever I saw  
Was sipping cider through a straw.

Sais I to her,  
"What you do that for?  
What made you sip cider through a straw?"  
Sais I to her, "What you do that for?  
What made you sip cider through a straw?"

Sais she to me,  
'Why, didn't you know  
That sipping cider was all the go?"  
Sais she to me, 'Why, didn't you know  
That sipping cider was all the go?"

So cheek to cheek,  
And jaw to jaw,  
We both sipped cider right through a straw.  
So cheek to cheek and jaw to jaw,  
We both sipped cider through a straw.

But best of all,  
The straw did slip,  
And I sipped cider from her sweet lips.  
But best of all, the straw did slip,  
And I sipped cider from her sweet lips.

So now I have  
A mother-in-law  
From sipping cider right through a straw.  
So now I have a mother-in-law  
From sipping cider through a straw.

# Six Little Ducks

Six little ducks that I once knew  
Fat ones, skinny ones, fair ones, too.  
But the one little duck with the feather on his back  
He led the others with a quack, quack, quack.  
Quack, quack, quack. Quack, quack, quack,  
He led the others with a quack, quack, quack.

Down to the river they would go  
Wibble, wobble, wibble, wobble, to and fro.  
But the one little duck with the feather on his back  
He led the others with a quack, quack, quack.  
Quack, quack, quack. Quack, quack, quack,  
He led the others with a quack, quack, quack.

Back from the river they could come  
Wibble, wobble, wibble, wobble. Ho, hum, hum.  
But the one little duck with the feather on his back  
He led the others with a quack, quack, quack.  
Quack, quack, quack. Quack, quack, quack,  
He led the others with a quack, quack, quack.

# Turkey in the Straw

As I went to milk and I didn't know how  
I milked the goat instead of the cow  
There a monkey sittin' on a pile of straw  
And he's giving a wink to his mother-in-law

## Chorus:

A high tuck a-haw

And hit 'em up a tune called

Turkey in the Straw

So I paid five dollars to a big bay hoss  
Well, he couldn't go ahead and he wouldn't stand still  
So he went up and down like an old saw mill

## Chorus

Did you ever go fishin' on a warm summer day  
When all of the fish were swimmin' in the bay  
With their hands in their pockets and their pockets  
in their pants?  
Did you ever see a fishie do the Hootchy-Kootchy  
dance?

Twinkle, twinkle, little star,  
How I wonder what you are.

Like a diamond in the sky.  
Twinkle, twinkle, little star,  
How I wonder what you are.

When the blazing sun is gone,  
And that nothing shines upon,  
Then you show your little night,  
Twinkle, twinkle all the night.  
Twinkle, twinkle, little star,  
How I wonder what you are.

Then the traveler in the dark  
Thanks you for your tiny spark  
He couldn't see where to go,  
If you did not twinkle so.  
Twinkle, twinkle, little star,  
How I wonder what you are.

When the saints go marching in

And when the sun begins to shine  
And when the sun begins to shine  
Oh how I want to be in that number  
When the sun begins to shine

We are traveling in the footsteps  
Of those who've gone before  
And we'll all be reunited  
On a new and sunlit shore

Oh when the saints go marching in  
Oh when the saints go marching in  
Oh how I want to be in that number  
When the saints go marching in

Oh when the trumpet sounds its call  
Oh when the trumpet sounds its call  
Oh how I want to be in that number  
When the trumpet sounds its call

Oh when the saints go marching in  
Oh when the saints go marching in  
Oh how I want to be in that number  
When the saints go marching in

# Who Built the Ark?

## Chorus:

Who built the ark? Noah! Noah!  
Who built the ark? Brother Noah built the ark  
Who built the ark? Noah! Noah!  
Who built the ark? Brother Noah built the ark

Now in went the animals, one by one  
The rhino chewing on a caraway bun  
Now in went the animals, two by two  
The elephant and the kangaroo

## Chorus

Now in went the animals, three by three  
Two butterflies and a humble bee  
In went the animals, four by four  
The great big hippo is stuck at the door

## Chorus

In went the animals, five by five  
Thus the animals did arrive  
In went the animals, six by six  
The hyaena laughing at the monkey's tricks

## Chorus

In went the animals, seven by seven  
The little pig thought they were going to heaven  
In went the animals, eight by eight  
Some were early and some were late

## Chorus

So in went the animals, nine by nine  
Noah shouted "cut that line"  
In went the animals, ten by ten  
The old ark blew its whistle then

## Chorus

'Till the ark done bump on Ararat  
Hallelujah! Praise the Lord!

# Yankee Doodle

Father and I went to camp  
Along with Captain Gooding  
There we saw the men and boys  
As thick as hasty pudding

## Chorus:

Yankee Doodle, keep it up  
Yankee Doodle dandy  
Mind the music and the step  
And with the girls be handy

And there was Captain Washington  
Upon a slapping stallion  
Giving orders to his men  
I guess there was a million

## Chorus

And then we saw a swamping gun  
Large as a log of maple  
Upon a deuced little cart  
A load for father's cattle

## Chorus

And every time they shoot it off  
It takes a horn of powder  
It makes a noise like father's gun  
Only a nation louder

## Chorus

Uncle Sam came there to change  
Some pancakes and some onions  
For' lasses cake to carry home  
To give his wife and young ones

## Chorus

Cousin Simon grew so bold  
I thought he would have cocked it  
It scared me so I streaked it off  
And hung by father's pocket

### Chorus

And there I saw a pumpkin shell  
As big as mother's basin  
And every time they touched it off  
They scampered like the nation

### Chorus
